

Course in English pronunciation

TYPE: Four-month term

DURATION: 40 hours*

PLACE: Vigo Campus.

Aims

This course introduces the student to English pronunciation. Correct pronunciation is essential not only to improve communicational skills, but also to improve listening skills. By knowing the basics of a previously selected standard variant of English, students can produce and understand spoken variations of this in many contexts. They will be able to communicate orally in an effective way and improve their listening comprehension by learning the phonetic and phonological processes of native speakers. At the same time, students who acquire the standard variety will be understood by native speakers, regardless of their dialect, socio-economic status, level of educational or age.
